Programme: Webinar on National Science Day

Date: February 28, 2023

Venue: Online & offline (Jointly organized by Government General Degree College and Acharya Sukumar Sen Mahavidyalaya, Gotan)

Report:

National Science Day is celebrated every year in India on February 28th to mark the discovery of the Raman Effect by Indian physicist Sir C.V. Raman on February 28, 1928. To commemorate this significant day and to foster scientific temper among students, Government General Degree College (GGDC) and Acharya Sukumar Sen Mahavidyalaya jointly organized an event on February 28, 2023 in dual mode (online & offline). The event aimed to engage students, faculty, and enthusiasts in discussions and lectures related to scientific advancements and their implications.

1:00 p.m. – 1:15 p.m. Welcome Address: The event commenced with a warm welcome address delivered by Prof. (Dr.) Krishnendu Dutta, Principal of GGDC Kalna-I. He extended greetings to all participants and emphasized the importance of celebrating National Science Day to inspire curiosity and innovation in science among the youth.

1:15 p.m. – 1:30 p.m. Keynote Speech: Following the welcome address, Dr. Jayanta Kumar Mukherjee, Principal of Acharya Sukumar Sen Mahavidyalaya, delivered the keynote speech. Dr. Mukherjee shed light on the significance of scientific discoveries in shaping the world and encouraged students to pursue scientific inquiry with passion and dedication.

1:30 p.m. – 2:00 p.m. Special Lecture: The highlight of the event was a special lecture titled "The Algorithm of Science" delivered by Dr. Tanmay Das, Assistant Professor in the Department of Physics at GGDC Kalna-I. Dr. Das captivated the audience with his insightful discourse on the systematic approach and logical reasoning underlying scientific inquiry. He elucidated the fundamental principles of the scientific method and discussed its application in solving real-world problems.

2:00 p.m. Vote of Thanks: The event concluded with a vote of thanks extended to all participants, speakers, and organizers for their contributions to making the National Science Day event a success. The organizers expressed gratitude for the enthusiastic participation and reiterated their commitment to promoting scientific awareness and education.

Conclusion: The National Science Day event jointly organized by Government General Degree College and Acharya Sukumar Sen Mahavidyalaya, Gotan, served as a platform for fostering scientific curiosity, promoting knowledge sharing, and celebrating the spirit of inquiry. Through engaging lectures and discussions, the event inspired students to embrace the wonders of science and pursue excellence in scientific endeavours.

Overall, the event was a resounding success, leaving a lasting impression on all participants and reinforcing the importance of science in shaping the future of society.

Celebrates in association with NSS & IQAC, GGDC, Kalna-I

Notice NO. 05/2023/CHEM

Date: 26.05.2023

WORLD ENVIRONMENT DAY, 2023

World Environment Day on 5th June, 2023 is hosted by Côte d'Ivoire in partnership with the Netherlands. The theme will focus on solutions to plastic pollution under the campaign "Beat Plastic Pollution". The world is being inundated by plastic. More than 400 million tonnes of plastic is produced every year, half of which is designed to be used only once. Of that, less than 10 per cent is recycled. An estimated 19-23 million tonnes end up in lakes, rivers and seas. Today, plastic clogs our landfills, leaches into the ocean and is combusted into toxic smoke, making it one of the gravest threats to the planet.

On this occasion, Department of Chemistry in association with NSS and IQAC, GGDC, Kalna-I is going to organise a Seminar along with extempore/short speech and poster presentation competition on 05.06.2023 at 12 PM onwards. Interested students should enrol their names through below mentioned link. Participation of all the faculty members and students are highly solicited to make the event successful.

📌 **Topic of extempore/short speech:** *Living Sustainably in Harmony with Nature*

- Renewable energy sources
- Wildlife protection
- Water conservation and management
- Beat plastic pollutions
- Global warming and threats
- Sustainable agriculture
- Overpopulations

📌 **Topic of poster presentation:** *Only One Earth*

- Plastic pollutions and viable alternatives
- Green technologies
- Ecosystem restoration
- Soil pollution: Fertilizers and Pesticides
