NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISE SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

Clause-I  
 CO-OPERATION

1.1 Both the Parties are united by common interest and objectives, and they shall establish channels of communication and co-operation that will promote and advance -

- Promotion of student centric teaching learning pedagogy which shall nurture creativity, competence belongingness and ownership among the learners;
- To instill scientific temper among young learners;
- To embrace equity and equality in education;
- Faculty and student exchanges based on reciprocity;
- Exposure of school students to state of the art laboratories and academic ambience of HEI;
- Team taught courses, including online courses for vocational opportunities;
- Visits by faculty, professional staff and students;
- Exchange of information on teaching, learning material and other literature relevant to their educational programmes;
- Joint organization of workshops and educational fair, and short-term continuing-education programmes on topics of mutual interest, inviting each other's faculty and students to participate therein;
- Joint organization of cultural programme, sports and other creative events to hunt talents and
- Any other joint venture for co-curricular and extra-curricular enrichment of both the Institution on prior agreement of the Head of the Institution of both the Institution; within the Institution and its related wings.

1.2 Both the Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.3 First Party and Second Party must respect each other's to intellectual property and the disputes if any, relating to any aspect of academic cooperation, HOI of both the Institution will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

1.5 Both the Parties mutually agreed not to include any financial transaction during the execution of this MOU.

**Summary Report of Programme III**

<b>Name of the Programme :</b>	School connect programme through Lab Visit in Students' Week programme
<b>Objective :</b>	Increase science awareness and interest towards science education
<b>Target Participants :</b>	School students of class IX to XII
<b>Venue :</b>	GGDC Kalna-I Labs of Chemistry, Physics and library
<b>Date :</b>	05/01/2024
<b>Expected Outcome :</b>	Renewed interest in science and hands on experiential learning among students of Kalna Ambika Mahismardini High School (HS)

Report : In the week long Students' Week Programme , the 4<sup>th</sup> day was reserved for students of neighboring schools to visit our college and organizing a lab visit with demonstration of interesting science experiment for them to learn science through heuristic method.

In the closing ceremony, Prof. Krishnendu Dutta , Principal, GGDC Kalna-I thanked all the schools for participating and encouraged the attending students to join in science education as all degree colleges have poor roll strength in science departments.
