About Our College

Affiliated to the University of Burdwan, Government General Degree College, Kalna-I, which began its journey with the blessings of Hon'ble Chief Minister of West Bengal in the year 2015, aims to reach a wide student belt and make available coveted Government facilities to the students. Being situated in the rural belt of Kalna-I block of Purba Bardhaman district, the college envisages on playing a significant role in the rapidly developing area by offering new opportunities and imparting all round education to the predominantly first generation learners. The college offers B.A. (Hons.) and B.Sc (Hons.) Programme in all basic subjects along with B.Sc. and B.A. General Programme. The college provides the most modern educational amenities such as state-of-the-art laboratories, smart classroom, auditorium, well stocked library, central computing facility, dedicated play-ground, separate common room for both girls and boys etc.

Address: Muragacha, Medgachi,
Purba Bardhaman- 713405.

Objective of the SMTH-2022

Acharya Sir Prafulla Chandra Ray, known as "father of Chemistry in India", was born on 2nd August, 1861 at Khulna Dist. of undivided Bengal. His academia includes Professor of Chemistry in Presidency College with degrees like CIE,FNIFRASE,FCS; a pioneer in the field of pharmaceutical industry, he was equally famous as an educationist, historian, industrialist and philanthropist.

To commemorate 162th Birth Anniversary of Acharya Sir Prafulla Chandra Ray, the College plans to organize a Science Mela in College premises on 2nd August, 2022.

The programme aims to:

- Promote scientific temper among the young learners of the rural belt in the district of Purba Bardhaman.
- Provide opportunity to the talented and creative students for nourishing and nurturing their creative talents in the field of science and technology.
- Provide satisfactory forum and opportunity for healthy competition.

Instructions related to the Science Mela:

All students are requested to participate in this Mela by submitting their projects (individually/ as a group) in forms of models, charts/experimental setups etc.; so that the mission of "utility and service of science in daily mundane" is accomplished.

Instructions:

- Students from Classes XI – XII are eligible to participate in the Mela.
- Demonstration of project work can be done by individuals or in a group.
- Maximum number of students in each group is three.
- A school can send maximum teams and a team can be constituted of minimum one to maximum three members.
- Each school should nominate a teacher to guide their students on the day of the Mela.
- All the necessary materials and equipment required for project must be brought by the participants.
- Participants are requested to set up and display their projects before 12 noon of the day of the Mela.
- Interested students are advised to fill in the registration form and submit the hard copy of the same to the College office through their school latest by 27.07.2022.
