Day Three : 30 August 2022 Tree plantation programme and Swachata Avijan

NSS special camp was organised in the adopted village named Uttarpara, Muragacha, Purba Bardhaman-713405. This village is a remote village far away from the megacity. So, urban problems like wastage from heavy industries, air pollution not find here. But Plastic and polythins occurred pollutions here.

Literal meaning of Swachhta is 'স্বচ্ছতা বা পরিচ্ছন্নতার মনোভাব ও পরিকল্পনা, পরিচ্ছন্নতার অভ্যাস'. (Habit of cleanliness, desire for cleanliness, planning of cleanliness). So, Our NSS Unit concentrated its focus on keywords like Cleanliness, Serenity, Sincerity and Transparency. Our Principal gave the volunteers a different perspective on Swachhta and told that Swachhta is not only related to the environment but also our health and daily life. Our volunteers observed that the villagers have lack of awareness about cleanliness. Our NSS volunteers plan to clean garbage's and plant trees for fresh air. For purpose NSS volunteers clean garbage's and swept the local roads and surroundings, collected plastics pouch, carry bags, etc.

The students encouraged the villagers by telling that the clean house will be rewarded at the end of the camp and also insisted to keep clean daily. So they happily involved themselves in cleaning process. The NSS volunteers also educated them that cleanliness and Hygiene is necessary to keep them disease free. The local People were happy on seeing the involvement of the students, and promised them that they will use dust bin and clean their premises regularly.

Tree Plantation Programme

Our next programme was tree plantation. Our NSS volunteers planted trees in this local area. More than fifty trees were planted in adapted village. They fenced the saplings in proper way to protect the plants from domestic animals. Our volunteers campaigned for saving trees.
