**Report on One Day Webinar
On
Education for Post –Millennial Learner
(Organized by Department of Education in association with I.Q.A.C)**

Millennial educators must instill in students a desire to think critically and provide them with strategies that will make them more efficient learners. Entering the digital era means new challenges and new changes for both the students and the teachers. With an objective to provide the youth of the institute wide opportunities to enhance their knowledge and to interact with leading intellectuals across various fields, the Department of Education in collaboration with the I.Q.A.C at the institute organised a one day webinar: **Education for Post–Millennial Learner** to bring in prominent faculty who can inspire the inquisitive minds of the students’ and serve as role models in various spheres of education and careers. Thus, the webinar was organised on the 19th of July 2021. The idea was to bring in highly accomplished and eminent speakers of stature to interact with the students’ mostly first generation learners who have very rare and sporadic opportunities to partake or listen to illustrious researchers speaking to them. This webinar aided to foster dialogues and exchange of learning to keep oneself abreast of the modern advancements in diverse fields. The major thrust areas were: Outcome based education (OBE), Heutagogy (Self determined learning), Digital age learner, Competency based assessment, Digital divide and e-inclusion.

The webinar was a great success with a huge participation from students’ as well as researchers and faculty owing to the support and leadership of the Principal of the institute Prof.(Dr.)Krishnendu Dutta, I.Q.A.C Coordinator Dr. Parnajyoti Karmakar, Dr. Rakhi Bhattacharya Head Department of Education and faculty of the Department of Education in organising it. The exemplary lectures and presence of our eminent leaders/educators in the field of education with the likes of the Honourable Vice-Chancellor The University of Burdwan, Prof.(Dr). Nimai Chandra Saha. Prof.(Dr.)Saikat Maitra, Honourable Vice-Chancellor, Maulana Abdul Kalam Azad University, Swami Shastrajnananda Maharaj, Principal, Ramakrishna Mission Residential College, Narendrapur, Prof. (Dr.)Urmila Kar, Professor, Education and Management, National Institute of Technical Teachers’ Training and Research , Kolkata leading to an enriching experience for all participants.

Glimpses of the Programme:

21st Century Learners are expected to

1. Solve complex problems
2. Think critically, reflectively
3. Communicate effectively using a variety of media and technology and to a variety of audiences
4. Apply current learning to new situations
5. Evaluate multiple pieces of information to create new information
6. Advocate for oneself and others
7. Make connections between present and future opportunities
8. Take responsibility for life-long learning
